NOMAD

Whether you go on to higher education or take a job in business, become a housewife or a professional, always remember Bridgeport High School. Remember the brick and mortar and the beauty of design but, most of all, remember the people. For the heart and soul of our school is the individual personality of each faculty member and student.

"I have had playmates, I have  
Had companions.  
In my days of childhood,  
In my joyful schooldays  
All, all are gone, the old  
familiar faces."

—Charles Lamb

Mrs. Elizabeth Howard, Central Michigan University, B.S., Head Librarian

Our modern and efficient library offers shelves of informative and entertaining volumes for our students.

This year a new program was initiated opening the library to adult readers.

First semester student teachers are (L-R): James Helgemo, Gary Francis, Richard Thomas, Thomas Linkfield, Edward Scharrer, and Linda Eshelman.

## Student Teachers. . . .

These people are all students from Central Michigan University. Their training consists of five years instead of the usual four. One semester of each of their last three years is spent at the university. During the third year at the university, a student goes into a school system as an assistant teacher; the next year he is an extern; and the third year he becomes an associate. The assistant assists the supervising teacher; the extern does some teaching; and the associate, who has had two semesters of experience, spends most of his time teaching.

Second semester student teachers are (L-R): Jeanie Minkstein, Dale Avery, Kathryn Davis, William Rupert, Theda Nelson, George Williams, and Kathy Van Dyke.

"The happy man will be the one who  
has accomplished and is still  
advancing."

The band marched in a parade doing their famous St. Louis Blues March step, and the Concert and Reserve Band people attended the Solo Festival.

To the right, a team member runs through the lane of victory formed by the band, majorettes, and cheerleaders.

## Burr. . . .

Skiing is a fascinating sport and has brought fun, laughter, and good sportsmanship with the establishment of the Ski Club.

Old man winter brings cold, brisk mornings and icy streets, but he also brings smiles of joy as we can clearly see on the face of Fred Langschwager (left) and Shana Nelson (below). The SKI CLUB, largest club at B.H.S., was formed this year and resulted in a big success. The members learn the fundamentals of skiing and have plenty of fun, too!

An important aspect of education is preparing those who intend to enter the field of teaching. Recently a new organization was formed which enables students to learn more about teaching as a career. ## Democracy In Action

The Student Council is a group that functions within the school and for the students. The purpose of such an organization is to promote student activities and help solve the problems or difficulties that may arise for the different classes. It works in conjunction with the administration and faculty and certainly is an asset to B.H.S.

One of the outstanding projects completed this year was the adoption of a little Korean girl where the Student Council sends a monthly check to help provide her with the necessities she needs.

## Grace of Music

The results of hard work and careful rehearsing were evident this year when the Art Choir magnified the world of music with their pleasant singing.

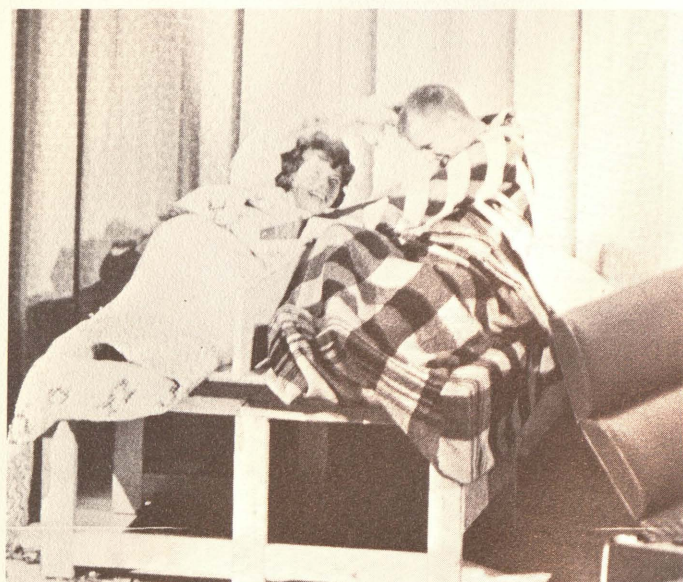

They presented a Christmas Program in December, sang for the P.T.A. and at Hess School. The highlight of the year was performing for some important executives at the Bancroft Hotel.

Night before Christmas . . . .

The children were nestled all snug in their beds . . . .

Ah, Sweet Pyramus . . . .

Watch out for that dog!!

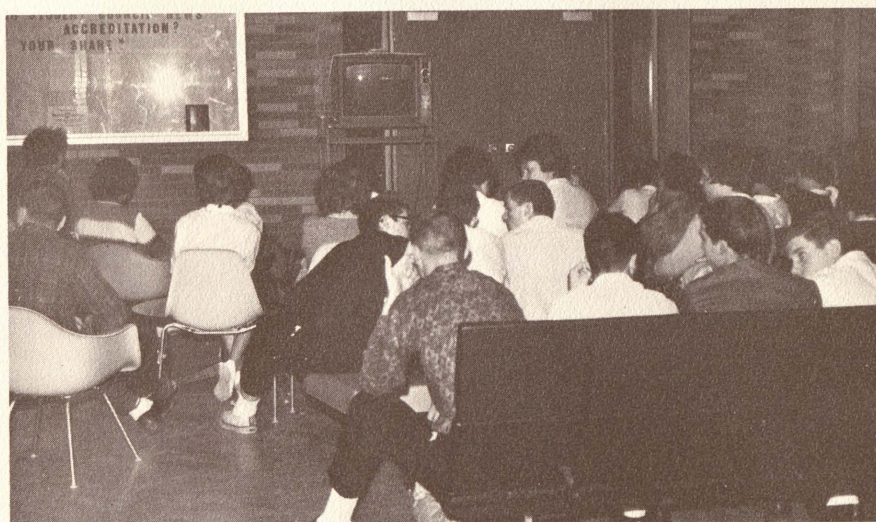

# Life

Pulling a safety message out of nowhere is just one of the many magician's tricks Police Sgt. Carl S. Pike uses to emphasize important points of traffic safety to students. Sgt. Pike presented his Safety Magic program at B.H.S. He is from the Kent County Sheriff's Department, Grand Rapids, Michigan. Sgt. Pike was a professional magician before entering police work. Several years ago in recognition of his fine work with teenage drivers, he was officially promoted to lieutenant by his department. However, because he has been known so long to thousands of youngsters by his old title, he prefers to be called sergeant.

# What is a

"The world of journalism is a perplexing one, but it opens doors of unlimited opportunities," says Terry Strudgeon, Editor of the 1964 NOMAD.

EDITORS (left to right) are: G. Winters, D. Zissler, J. McLean, G. Clark, Connie Cronk. YEARBOOK STAFF: (left to right) Standing, D. Shutt, A. Korkus, S. Englehart, C. Miller, M. Rutherford, M. LAUGHTER comes to people at different times; but for the Journalism classes, it has a special meaning.

There are serious moments, but a smile of accomplishment as expressed by staff members who have successfully published a work with lasting value and a unity that comes from within, can never be replaced.

A yearbook is a "personal scrapbook" to be cherished by everyone and to bring joy and fond memories in years to come.

The 1964 NOMAD staff wishes to congratulate the students, the faculty, the administration, and all others of Bridgeport Community High for their contributions in making the school a prosperous and happy one.

OUR TOWN, by Thornton Wilder, was presented in three performances. It was the first serious play produced on our stage, and the audiences agreed that the cast portrayed their roles with emotion, intensity, and realism.

# Carnival Time

The second annual S.O.C. Carnival U.S.A. scored another success in providing a variety of entertainment for young and old. For those who enjoy sports: wrestling, tricycle races, the dunking machine, shooting gallery, ball toss, and many more. For those who like to eat: the French Cafe, the cake walk, and the ring toss where one could win a bottle of pop. The smiles and squeals of laughter of the children as they won a prize were seen everywhere. The highlight of the evening was "HOSS" who helped to sell balloons. Pictured to the right is Kris Gustafson with her "friend."

The adults had fun, too, by attending the Minstrel Show, the dinner sponsored by the P.T.A., and even the cartoons!

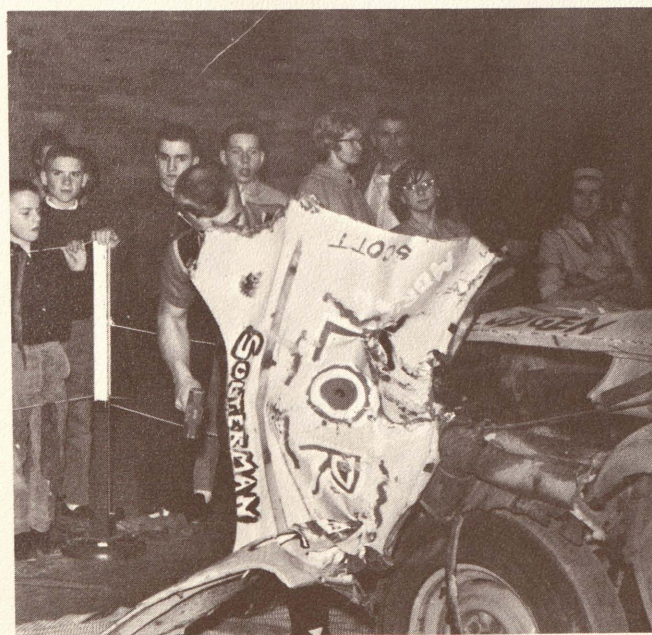

Proceeds will be used to send the 1964 exchange students to Europe this summer.

(Left) One of the main attractions this year was the Tricycle Race. Onlookers cheered as the children peddled!

D. Nagel looks for more to smash!

(Left) J. Schubert whispers to K. Falkenhagen, "I know I promised to stay on that diet, but, gee whiz! It looks so good."

D. Ballance pleads, "Aw, just one more try!"

# Cheerleaders Add Color and Spirit

(Down from top left)—Sue Tobias, Diane Schuetz, Vickie Page, Carol Redburn, Cathy Haas, and Advisor Mrs. Mary Hoffmann. (Going up)—Mary Lou Schattilly, Sally Armstrong, Sue Keech, Bernetta Kujawa, and Fran Winkowski. Center(L to R)—Junior Varsity Captain Judy Bachula and Varsity Captain Connie Lee.

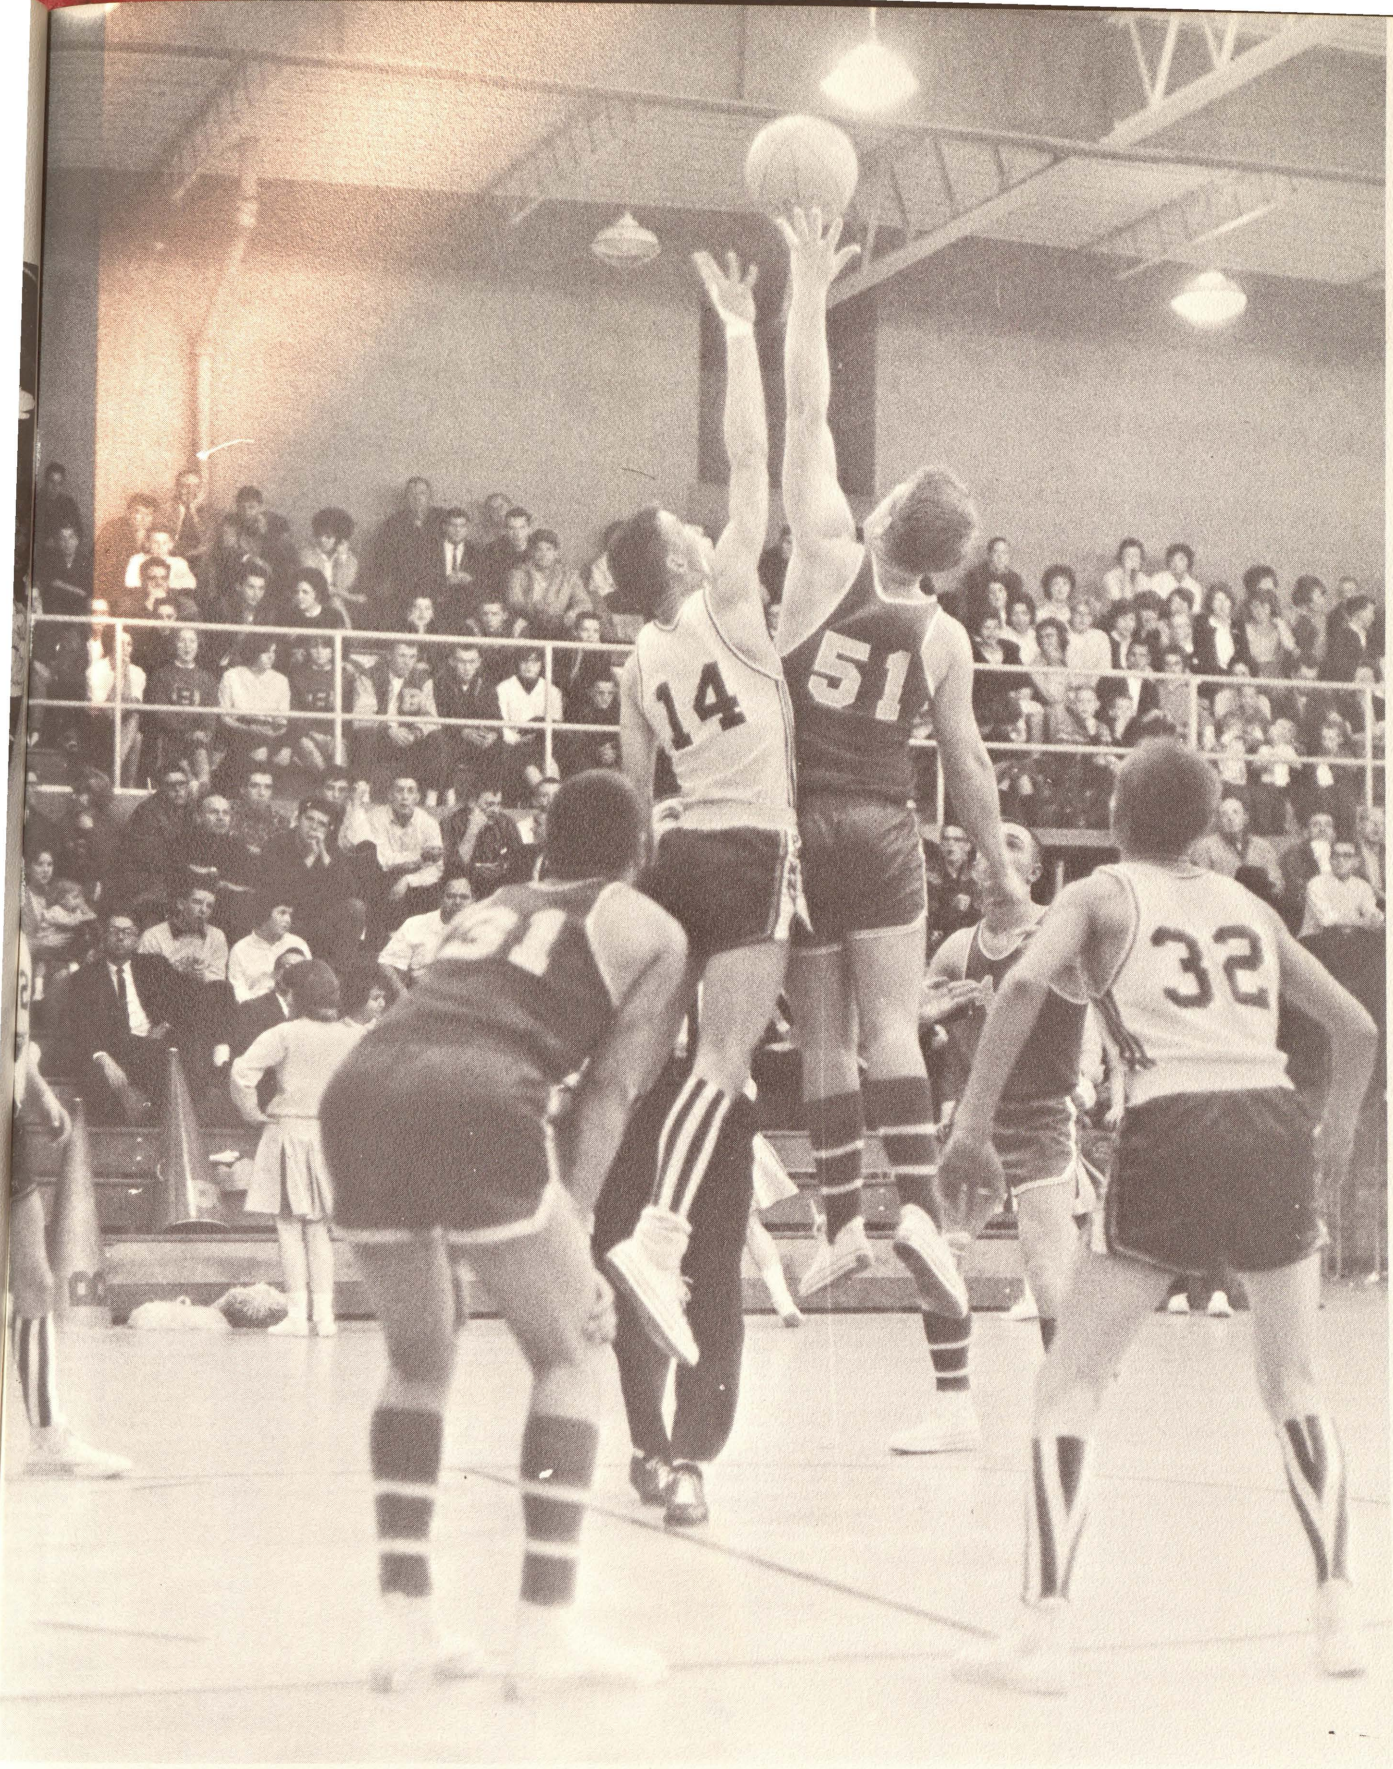

Junior Varsity Cheerleader Cathy Haas jumps into the air as the Bearcat J.V.'s score.

J.V.'s and Varsity get together to do the routine for "Extra! Extra!"

"To have lost is less disturbing than to wonder if we may possibly have won."

# Queen Sandy

Principal Eugene Strait crowned the B.H.S. Homecoming Queen, Sandy Tobias, during half-time ceremonies on October 18, 1963. Sandy and her court arrived in Mercurys driven by Frank Mihalic, Mr. Clifford Klein and Mr. William Holloway. Rolf Strout, Varsity Captain, and Rick Deneau, Student Council President, presented Sandy with an autographed football and a dozen red roses. Each of the girls on the court received a court crown as her memento. The Bearcats went on to win the Homecoming game 75-0 over Arthur Hill Tech.

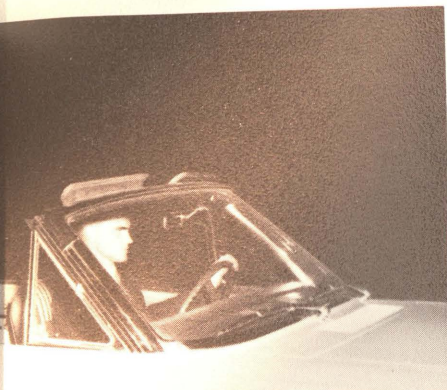

Captain Rolf Strout gets unexpected pleasure.
